Any information which is held, that relates to you, including your entitlement to drive and any information about disqualifications and unexpired offences and endorsements will be used to ensure that Cambridge City Council can be satisfied that you are a "fit and proper" person to hold a hackney carriage, private hire or dual driver licence.

The disclosure of a criminal record or other relevant information will not necessarily disbar a person from obtaining or holding a 'taxi' drivers licence unless the Council considers the nature of the convictions to render you unfit.

Whilst each application is considered on its own merit a person who is found to have (at the time of application for the grant or renewal of a licence or during the period of a licence being valid) convictions within the Council's 'Taxi Drivers-Grounds for Disbarment' policy, will not normally be granted a licence, and in the case of an existing licence holder, may have it revoked.

Failure to disclose any information could result in the suspension or revocation of your licence.
