

# Punting in Cambridge

A punt tour along the world famous Cambridge College 'Backs' is one of the pleasures of a visit to Cambridge. We want your experience to be enjoyable and safe and this leaflet provides information about where to go to join a licensed tour.

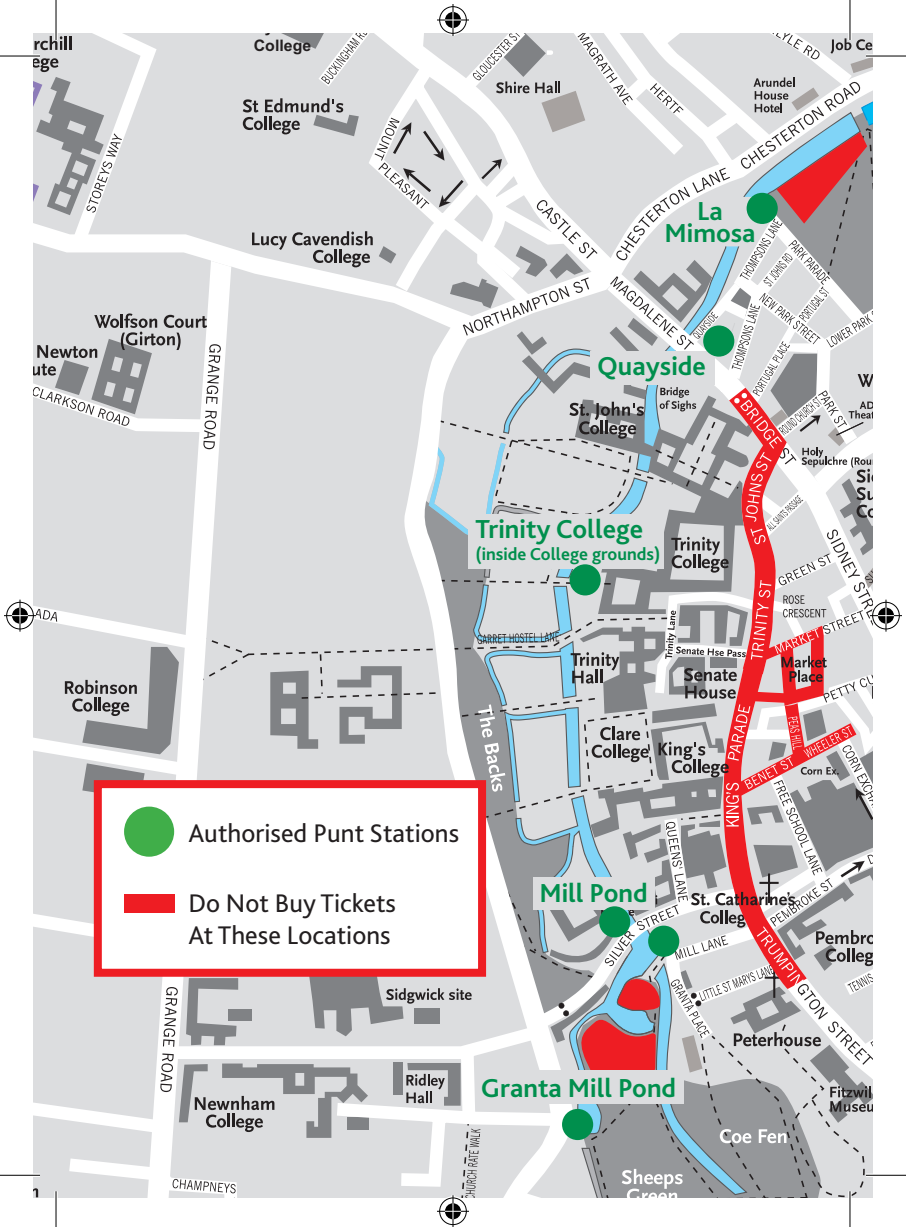

You can choose from 6 locations as shown on the map on the back of this leaflet. You can buy tickets at each location, online or through the Tourist Information Centre.

Please **DO NOT** buy your punting tickets from people selling them on King's Parade or the Market Square as illegal punt operators sell tours from these locations.

Creating a safer  
Cambridgeshire
