(CCC) FOI request for surface and groundwater abstractions

I'm writing to request records of unlicensed surface and groundwater abstractions within the area of interest pictured above in the map. As well as the map for reference I have attached the shapefile of the area of interest.

**Response:**

Thank you for your request for information above, which we have dealt with under the terms of the Freedom of Information Act 2000.

Aside from Private Water Supplies (of which there are none within the area of interest), the regulation of surface and groundwater abstractions falls under the remit of the Environment Agency.

The Environment Agency may be contacted by email at [enquiries@environment-agency.gov.uk](mailto:enquiries@environment-agency.gov.uk)

We aim to provide a high-quality service to you and hope that you are satisfied with this response. If you have any further questions, please do not hesitate to contact us.
