

Post meeting questions and answers

Q: When will acoustic improvements for the Hangar Building at Marleigh be completed?

A: Acoustic improvements are aimed to be completed by Hill at the end of March 2023

Q: When will the public transport contribution for Marleigh be triggered?

A: Bus Service Contribution was recently triggered and paid, and there is a second Bus Service Contribution that will be triggered Q4 2023, in accordance with the Section 106.

Q: Please would you explain the number of allotments proposed on The Plains and the number that were originally proposed on the west side of Phase 3? Will these (western plots) be put somewhere else or lost?

A: Outline planning permission which refers to 1.7 hectares of allotments being provided which was an over provision in relation to the Outline proposals. This was approximately split as 1.4 hectares in the Plains area which we are not proposing to change, and 0.3 hectares on the western area in which we have discussed the option to bring forward this area as a Community Garden instead.
