(CCC) Planning Application 19/1453/FUL

With regards to planning application 19/1453/FUL, what legal advice was given/offered to councillors on the City Council Planning Committee prior to committee meetings on 1st December 2021, 7th September 2022 and 5th October 2022?

Secondly, regarding 107 Darwin Drive, Cambridge, I would like to know between which dates the planning enforcement team had an open investigation of reported/alleged breaches of planning conditions. Dates when an investigation was opened, when that investigation was closed and whenever a new investigation was opened (or previous investigation reopened) and when it was, if it has, been closed again.

Response

In regards of the legal advice prior to the meeting all such legal advice is exempt and legally privileged information.

We don't re-open an old case once closed, a new case is generated in each instance of the same complaint at a later date.
