(CCC) ASB data, St Thomas Road Play area Coleridge

I'm trying to verify the published data position in relation to the play area off StThomas Road/Birdwood Road In Coleridge. Ideally I would like to go back to 2018 if there are published records. Would you be able to point me to anything the City Council or community safety partnership may have published please. I've looked on street check but would like confirmation that represents an official position on stats for reported ASB incidents. I've also seen reference to a consultation in 2019, would you know where I can access that please.

Response

We do not have any published data in relation to the play area off St Thomas Road/Birdwood Road In Coleridge in relation to reported ASB incidents. However I have attached a chronology of reports and action taken , which includes a site meeting with residents and a copy of an Environmental Audit carried out in 2019
