(CCC) Disclosures

A response to Freedom of Information request RF111447 was originally published in July 2022. None of the supporting documents referenced in the two supporting letters appear to have been published. Please could Cambridge City Council either confirm where these are to be found or publish these accordingly?

Response

The response was not attached on the disclosure page for case reference: 11447 as the files were too large. We confirm the files have now been uploaded and are available to view on the Freedom of Information Disclosure page of our website.
