

OTHER SITES CONSIDERED

A number of sources were used to arrive at a list of sites to assess. These include the following sources, although this is not an exhaustive list:

- Sites allocated in the existing adopted Local Plan 2006, associated Area Action Plans, and Supplementary Planning Documents, which have not been developed.
- Sites identified in the following studies:
 - Strategic Housing Land Availability Assessment (SHLAA) May 2012.
 - Employment Land Review 2007 and 2012 update.
 - Gypsy and Traveller Provision in Cambridge: Site Assessment
 - Cambridge Hotel Futures: Headline Findings Issues & Options Report April 2012
 - Other documents eg those produced by Cambridgeshire Horizons.
- Any sites and site boundaries identified by the Council within the Issues and Options Consultation (June 2012).
- Any sites subsequently submitted by landowners and developers or their agents in their responses to the Council's Issues and Options consultation June-July 2012.
- Any sites identified by the Council's own internal directorates, other Councils, statutory government agencies, and statutory undertakers.

A long list of sites was drawn up and was initially reduced, by removing those sites which had already been consulted upon in the Issues and Options 1 consultation in June/July 2012, sites less than 0.5 hectares (apart from a small number of residential sites which due to their location could be developed at a high density), and those picked up through annual monitoring where planning permission had been granted or where the landowner has indicated that they do not wish to bring the site forward.

The following tables provide information on the assessed sites:
