East Barnwell Health Centre – next steps

Lucy Winchester, Primary Care Contracts Business
Partner

Lisa Smith, Primary Care Contracting and Enabling
Manager

Current Situation

- On 10 April 2024 the Partners at East Barnwell Health Centre made the difficult decision to hand back their contract
- The Partners are required to give 6 months notice, so their tenure will end on 9 October 2024
- Following governance approval and a market engagement exercise, the Integrated Care Board advertised an Intended Approach Notice to advise the market of the impending procurement
- On 1 July 2024 a market engagement event was held for potential bidders
- On 3 July the full tender was launched. This will close on 24 July 24
- Working alongside local community group to ensure patient voice is heard as part of the procurement process

Next Steps

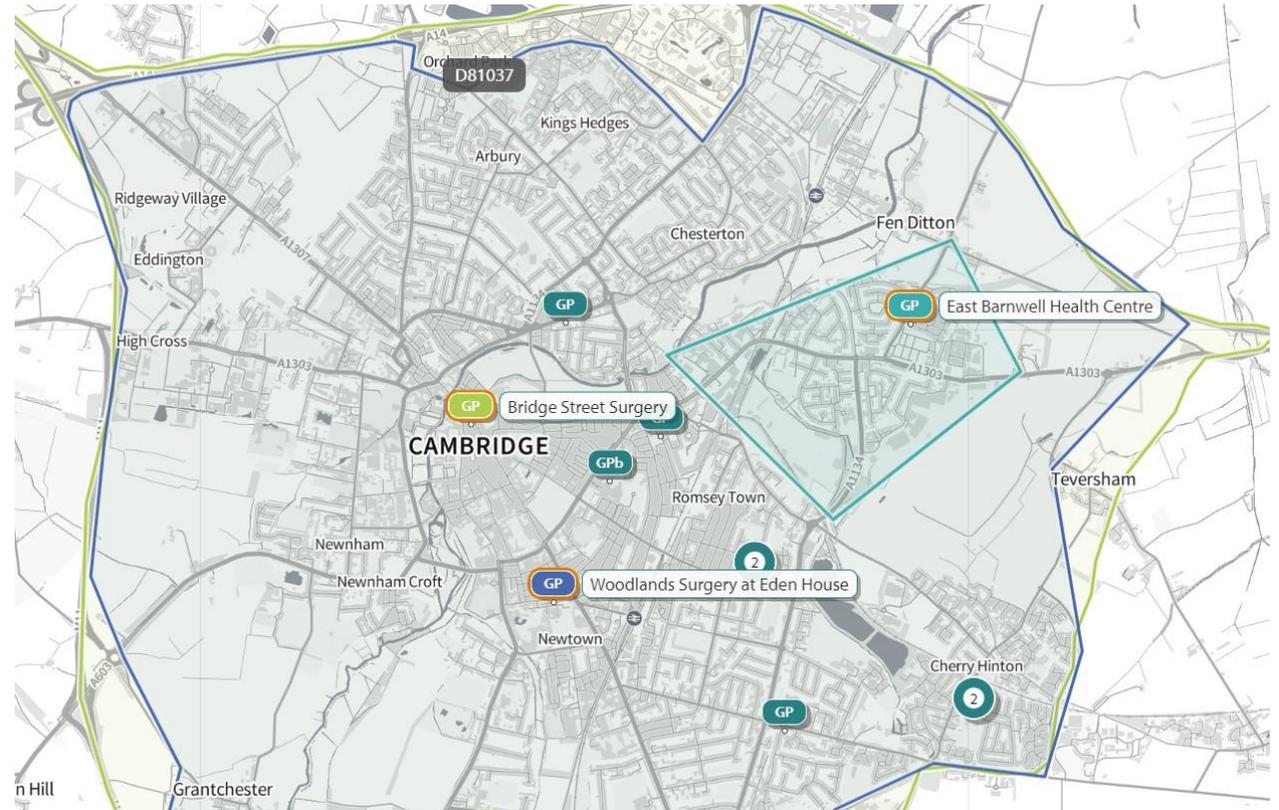

- Deliver the procurement process, including ensuring patient representation in the procurement scoring process
- The procurement should conclude and the new provider announced at the end of August
- The new provider will start on 10 October
- In the meantime, service delivery will continue at East Barnwell Health Centre as normal
- New patient registrations – update
