2. Presentation: Cambridgeshire and Peterborough Domestic Abuse and Sexual Violence (DASV) Strategy 2024-27

- 2.1 Vickie Crompton spoke to the strategy which is available at [Cambridgeshire County Council DASV Partnership - Strategic Documents \(cambsdasv.org.uk\)](https://cambsdasv.org.uk). She explained that an action plan is being developed with cross cutting themes for different agencies and the county districts. A meeting would be arranged with Cambridge City Council to discuss this action plan. Action point 07/01
- 2.2 Keryn Jalli asked about demographic data being recorded as without this it would be difficult to identify need. Vickie Crompton responded that the County DASV Partnership will be discussing this with providers such as those in the police, housing, and health, to bring together information.

3. County Domestic Abuse and Sexual Violence Report Q4 2023/24

- 3.1 The County Domestic Abuse and Sexual Violence Report for Q4 2023/24 was noted. As there were no questions, the Chair thanked Vickie Crompton for her presentation.

4. Domestic Homicide Reviews Update

- 4.1 Keryn Jalli provided an update about the four Domestic Homicide Reviews (DHRs), three who had died by suicide having experienced domestic abuse. One of the DHRs, which was presented at the last CCSP meeting, had been

submitted to the Home Office and will be reviewed by the Home Office Q&A Panel in August. One DHR is awaiting the final report. One DHR is waiting for the final report following a meeting with the family. For the other DHR, procurement for the Independent Chair is in progress and should be able to start soon. Keryn Jalli is on the Panel for each DHR and the DHR Chairs will be invited to bring the reviews and action plans to the CCSP when these are available.

- 4.2 Keryn Jalli asked for comments about the CCSP's draft response to the Home Office Domestic Homicide Review (DHR) Statutory Guidance Consultation. Vickie Crompton commented that the proposed CCSP response was like the response provided by the County DASV Partnership. The draft response was agreed to be submitted before the deadline of 29 July. Action point 07/02

The training would be free, funded by Anglia Ruskin University, and to be delivered in the next couple of months. actions due to the additional funding from the Serious Duty and Home Office Safer Streets 5, and that the CCSP will need to consider how to continue funding this work in the future. It was agreed to discuss funding activity at the CCSP Development Session in December. Action point 07/06

It was noted that partnership work had been undertaken with licensed premises in preparation for England playing in the Final of the Euros Football Tournament on 14 July, such as additional taxi marshals.

- 9.2 The Chair asked if the CCSP is linking into Cambridge City Council consultations around the market square and civic quarter as safety needs to be part of the consideration. Action point 07/07

- 10.1 Shona McKenzie provided an update from the Office of the Police and Crime Commissioner (OPCC). She said that there had been very good feedback on the OPCC funded interventions. The Commissioner's Crime Plan Survey had been launched and would be shared with the CCSP. Action point 07/08
- 10.2 Shona McKenzie said that there is always positive feedback and engagement by Cambridge City. For example, she said that Chloe Newell, the Cambridge Problem Solving Co-ordinator hosted by Cambridge City Council, has brought businesses together for partnership engagement work, which other CSPs wish to replicate. Shona McKenzie said that the OPCC was looking at extending the Problem Solving Co-ordinator roles for another 12 months to March 2025. In addition, the Safer Communities Fund was reopening with a maximum of £10,000 for each CSP.

Also, Keryn Jalli said that a Pledge United Project funded by the OPCC was being led by Cambridge United Foundation to work with young people through sport in schools and due to start in September. Shona McKenzie (OPCC) thanked the CCSP for highlighting the county's successful partnership working.

16. Any other business

16.1 As part of the awareness raising work by Cambridgeshire and Peterborough Against Scams Partnership, Scott Liddle had brought hard copies of The Little Book of Big Scams to share with partners. This book is also available online at [The Little Book of Big Scams – 5th Edition \(cambs.police.uk\)](https://www.cambs.police.uk/the-little-book-of-big-scams-5th-edition)

16.2 Rebecca Cooke said that there are 60 Serious Violence Champions within Health. She asked how information can be shared across this platform and it was agreed for there to be a Health update at each CCSP meeting. Also, she mentioned that a recent funding bid for Bleed Packs had been unsuccessful.
